THE HOTEL'S ECOLOGICAL COMMITMENT

In order to best respect the environment, the hotel deploys various measures:

- Cleaning products: the hotel uses environmentally friendly or eco-certified products.
- Welcome products: individual pods have been replaced by containers
- Selective sorting: the hotel sorts its waste and invites its customers to do the same.
- Low consumption light bulbs: the entire hotel is equipped with low consumption light bulbs.
- Double-glazing: the entire hotel has double-glazing to limit energy losses.

ECOLOGICAL COMMITMENT OF OUR GUESTS

Here are some simple gestures to participate in your own way in respecting our planet

Energies

- Remember to turn off the light and/or any electrical appliance when you leave your room.
- Please remember to close the windows when the air conditioning or heating are on.
- Turn off the heating or air conditioning when leaving your room or opening the windows
- Unplug your chargers from outlets if your devices are charged
- Decline the cleaning of your room

Water

- Turn off the faucet while washing hands or brushing teeth
- If you don't use some bath towels, please leave them folded
- Put in the shower or the bathtub, the towels you want to see changed
- Feel free to notify staff of any leaks you may detect.
- Please do not throw polluting and toxic products into the sinks and toilets – garbage cans are available.

Waste

- For your papers, cans, glass and plastic bottles, please use the trash can in the room.
- For other waste, use the trash can in the bathroom.
- A selective sorting bin is available at the ground floor of the hotel and a basket at the Reception desk is dedicated to deposit your used batteries.
- Respect the criteria for selective sorting of the bins made available to you
- Avoid the use of single-use disposable products: paper towels, wipes, etc. To limit packaging waste, we have eliminated disposable welcome products in the bathroom. Some remain available on request at Reception.
